INTRODUCTION

What Are Cookies?

A Cookie is a small, simple file that is sent along with the pages of a web address and can be stored by the web browser on Your PC or another Device. The information stored in it can be sent to Our servers or the servers of relevant third parties during subsequent visits.

What Are Web Beacons?

A web beacon (also called a pixel tag) is a small, invisible piece of text or image on a website used to monitor traffic on the website. To enable this, various data about You are stored through web beacons.

What Are Scripts?

A script is a piece of program code used to enable functionality and interactivity on Our Website. This code is executed on Our servers or on Your Device.

COOKIES

Technical or Functional Cookies

Some Cookies ensure that certain parts of the Website function correctly and that Your user preferences are retained. By setting functional Cookies, we make Your visit to Our Website easier. This way, You don't have to repeatedly enter the same information when visiting Our Website. We can place these Cookies without your consent.

Statistical Cookies

By accepting these Cookies, You agree that We use statistical cookies to optimize the Website experience for Our users. These statistical Cookies provide Us with insights into the usage of Our Website. We ask for Your permission to place statistical Cookies.

Marketing/Tracking Cookies

By accepting these Cookies, You agree that marketing/tracking Cookies or other forms of local storage are used to create user profiles, display advertisements, or track the user on this Website or across multiple Websites for similar marketing purposes.

Analysis Tools and Advertising

IONOS WebAnalytics		
Usage In IONOS WebAnalytics, data is collected exclusively for statistical analysis and technical optimization of the Website.		Data Sharing These data are not shared with third parties.

This Website utilizes the analytical services of IONOS WebAnalytics (hereinafter referred to as IONOS). The provider is 1&1 IONOS SE, Elgendorfer Straße 57, 56410 Montabaur, Germany. As part of the analysis with IONOS, various data are analyzed, including visitor numbers and behavior (e.g., number of page views, duration of a website visit, bounce rates), visitor sources (i.e., from which page the visitor comes), visitor locations, as well as technical data (browser and operating system versions).

What information does IONOS collect from my Website visitors?

IONOS does not store any Personal Data of Website visitors, so that no conclusions can be drawn about the individual visitors. The following data is collected:

- Referrer (previously visited webpage)
- Requested webpage or file
- Browser type and version
- Operating system used

- Device type used
- Time of access
- IP address in anonymized form (only used to determine access location)

What technologies does IONOS use to collect data?

The data is collected either through a pixel or a log file. To protect Personal Data, IONOS WebAnalytics does not use Cookies.

For what purpose are the data collected?

In IONOS WebAnalytics, data is collected solely for statistical analysis and technical optimization of the Website.

Generally, You reserve the right to access, correct, or delete Your Personal Data, as well as restrict its processing at any time. However, it is not possible to delete this data, as IONOS WebAnalytics neither stores nor processes your Personal Data, nor data that could be attributed to You as an individual.

We hope to have provided You with the most important information regarding data processing by IONOS WebAnalytics. If you would like to learn more about the analysis service, We recommend that you read the company's privacy policy at:

<https://www.ionos.com/terms-gtc/privacy-policy/>

Data Processing Agreement

We have entered into a Data Processing Agreement (DPA) for the use of the above-mentioned service. This is a legally required agreement that ensures that the service processes the Personal Data of Our Website visitors only according to Our instructions and in compliance with the GDPR.

For more information on data collection and processing by IONOS WebAnalytics, please refer to the following link on the IONOS website:

CONSENT

When You first visit Our Website, we will show You a pop-up with an explanation about Cookies. By clicking 'Accept,' you give Us Your consent to use all categories of Cookies and plugins you have selected, as described in this Cookie Policy. You can disable the use of Cookies through Your browser. Please note that Our Website may not function properly under certain circumstances.

ENABLE/DISABLE AND DELETE COOKIES

You can use Your internet browser to automatically or manually delete Cookies. You can also specify that certain Cookies should not be placed. Another option is to change Your internet browser's settings to receive a notification every time a Cookie is placed. For more information on these options, please refer to the instructions in Your browser's help section.

Please note that Our Website may not function properly if all Cookies are disabled. If you delete Cookies in Your browser, they will be placed again after Your consent when You revisit Our Website.
